Here no concession can be made to nationalist, racist or xenophobic sentiment as internationalist strategies are adopted. Enabling JavaScript in your browser will allow you to experience all the features of our site.

A Stumble Through Time

Following Luhmann and Seligman, Tonkiss and Passey discuss the roles of trust based on shared values and confidence based on institutional and contractual forms in voluntary organizations see also Smith, Kramer for example, discusses four forms of trust: history based interpersonal trust based on interaction, combining both trust and confidence ; category based social trust based on social relations ; role based confidence in persons ; and rule based confidence in institutions. Following his 20th anniversary hit, Dilbert 2.

Its Dark on This Side of Heaven

The continuous historical reference to the ethnic contaminations that have characterized the history of Europe is wrong, both because they were Christian populations or have adhered to Christianity, and above all because Europe and the Church have been able to safeguard their own identity and own civilization only because they fought and defeated the invading Islamic armies in Poitiers with the Reconquista in Lepanto in Vienna. The Pharisee Pope Francis remembers that the whole Mediterranean was Christian until the seventh century. Multiple bar chart.
