Lose The Fat - Without The Exercise

This picture, along with books like John Steinbeck's Grapes of Wrath, have for many come to define the story of "Okie" migrants of the Great Depression.

Punch, or the London Charivari, Volume 1, November 6, 1841

Think of the unregenerated condition of the mortal body, with its flame of concupiscence lusting against the spirit, its restless sensibilities, its petulant appetites, its disorderly movements, its reluctance to be brought under subjection to the law of the spirit, its ever-changing irritabilities, and those crooked instincts of evil that through the imagination move upon the soul, all tending to trouble her peace, and to overthrow the virtues. Learning algorithms extract information from raw data; information can be used to create knowledge; knowledge underlies understanding; understanding leads to wisdom.
