two works were published together by Anissonet and Posuel in
but all copies were not sold and in Bruyset, another publisher
from Lyon started to sale them with a new title page but did
not print a new title for the second part, then it was often
removed from the copies like in this is one. It was by the
effective painting of light falling on a surface that
modelling or a three-dimensional appearance was to be achieved
in a two-dimensional medium.
